FINANCIAL**

Call Ag Service Manager, Robert Harker, at 440-332-8821 to schedule your inspection today!

Not sure if your equipment will make it through harvest this year? Whether it needs routine maintenance or a complete overhaul, now is the time to get it done. Because with no payments and no interest through JD Financial, there's no reason why you can't have a smooth and trouble-free harvest this year.

Bring your equipment to us or we'll come to your farm. But do it now because harvest will be here before you know it. Nip those costly breakdowns in the bud with an equipment inspection or service performed by Polen Implement's certified technicians. And don't pay a thing until next March 1, 2017!
