

One good thing about equipment failure—it's avoidable.

Call 440-322-8821 to arrange your inspections today.

You've heard it all before—*Avoid expensive downtime before it occurs. Unexpected repairs are more costly than preventative maintenance.*

Regardless of how true and simple the idea of preventative maintenance is, it's continually ignored.

- **15' No-till Drill** \$100
- **30' - 42' No-till** \$250
- **Corn Planters** \$27/row
- **Utility Tractors** \$200

This year, handle that ground and those crops like a boss, starting now. Call Polen Implement today at 440-322-8821 and let one of our certified ag technicians get your equipment ready for a profitable and trouble-free farming season.

- **Seed Meters**—
Starting at \$30/meter
- **Row Crop Tractors** \$300
- **Articulated Tractors** \$400
